SET UP VOUCHERS FOR UNIFORMS

INTRO

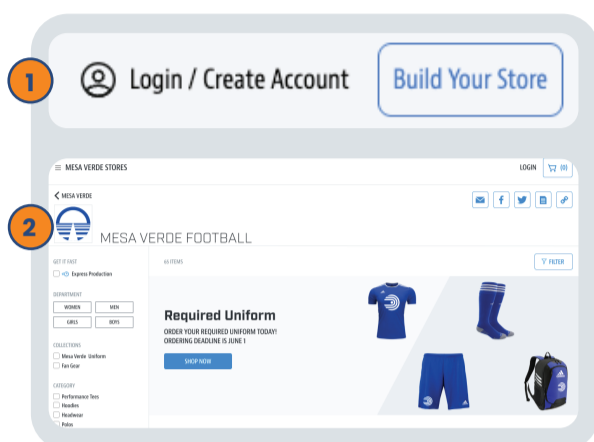

When collecting the cost of a uniform in advance with your registration fee, vouchers are a good option to save time figuring out sizes and distributing items. SquadLocker uniforms ship direct to player.

To get vouchers created for your team you will need to get in touch with a SquadLocker expert. They will walk you through the steps below so your team can redeem their pre-paid uniforms using a unique voucher code.

Check out what to expect when setting up vouchers for your team.
